**Elena Misoulis Appointed Director of Nutrition &
USDA Commodity Food Programs.**

Hauppauge, NY. - June 01, 2016 – *Global Food Solutions* announces the hiring of Elena Misoulis as the company's Director of Nutrition & USDA Commodity Food Programs. Elena will provide critical support and technical expertise to Food Service Distribution Companies. This appointment allows Global Food Solutions to continue its expansion plans by creating innovative, wholesome products for the School Food Industry.

Elena is a graduate of the University of Delaware with a degree in Dietetics. She completed her master's degree in Nutrition at Long Island University C.W. Post and earned a certificate of training in childhood obesity and weight management. Elena brings her nutrition skills to Global Food Solutions team along with her passion for food. She has worked in various areas of nutrition including food service and school nutrition. At Global Food Solutions, Elena's primary focus is on product development, nutritional analysis, USDA Regulation compliance, and food safety. Elena additionally holds many different food safety certifications including HACCP, AIB Regulatory compliance, and Pest Controls for Good Manufacturing Practices.

Global Food Solutions is a progressive food service partner that is a pioneer in the development and distribution of affordable, wholesome and sustainable food products that simply taste amazing. The company operates out of 15+ different production facilities that span the United States and Canada to support a growing customer base that includes 5,000 schools and a variety of hospital, healthcare, restaurants, colleges and universities. The company currently distributes its products under 7 different brands labels. For more information, contact Info@GlobalFoodSolutions.CO / (877) 728-5550 or visit www.GlobalFoodSolutions.CO.
